## GAMECRAFT MINIATURES

### GameCraft Miniatures Portable Painting Station Drawer Assembly Diagram

When installing the vertical dividers (part 4) note that excess glue inside the unit will interfere with the drawers, so be neat and use glue sparingly.

GCmini recommends assembly with wood glue or white glue.  
Dry fit all parts first to make sure you have everything right before gluing anything.

If you have any questions about assembling the Paint Station Drawers please email us directly at [help@gcmini.com](mailto:help@gcmini.com), or phone us at 760-363-2007
